A. DORMITORY AND ROOM REGULATIONS

1. Closing Hours.

Each coed must be in her dormitory:
Monday through Thursday—10:30 p.m.
Friday—1:00 a.m.
Saturday—1:00 a.m.
Sunday—12:00 midnight.

If late a girl is to report herself to the house-president. She will be brought before the house council and punished accordingly. A probable punishment will be one night's probation for the first ten minutes, with one night added for every 10 minutes afterward. Probation means remaining in the dormitory, on her floor, from eight p.m. till eight a.m., signing in at the desk at eight and again at ten.

If late and the dormitory is closed, the girl is to call the house mother, her assistant, or the house president. The dormitory is not to be left before six a.m.

2. Quiet Hours.
There shall be quiet hours in the dormitory from:

Monday through Thursday—7:30 to 10:30 p.m.

After 11:00 every night.

Before 10:00 a.m. Saturday and Sunday.

No showers shall be taken after 11:30 any night.

Musical instruments may not be played during quiet hours. Radios may be played at any time provided they are not heard outside the room. Musical instruments in parlors may not be played after 8:30 p.m. on week-nights.

There will be one proctor on each end of every hall. After the first violation of the quiet hours, probation will automatically be given for unnecessary noise.

3. Guests.
Guests must be registered at the desk upon their arrival and the fee of fifty cents a night must be paid. All guests are expected to abide by dormitory regulations.

4. Miscellaneous.
There shall be no drinking in the dormitory. Girls who find it necessary to keep liquor in their rooms for medicinal purposes must report this to their house-president.

Two girls can not sleep in the same bed.

Electrical appliances such as kitchen utilities and irons can not be used in rooms.

Each girl must make her own bed before 10:00 on weekdays; before 12 noon on Saturday and Sunday. Rooms will be inspected and penalty imposed for violation of this.

There shall be no talking out of the windows, to boys.

If a girl receives a telephone call, it is up to her to see that the next ring is answered. There is a three minute limit on all telephone conversations. The phones are turned off at 11:00 p.m.

House meetings will be held every other Monday at 10:30 p.m. Attendance is compulsory. A 25c fine will be imposed for unexcused absence.

There shall be a social fee of fifty cents collected at the beginning of each quarter.

B. SIGNING OUT

Coeds must sign out:

1. For all student entertainments, lectures, concerts, plays, etc., lasting till after closing time. On such occasions girls must be in their dormitories thirty minutes after the close of the performance.

2. For Fall Germans, Mid-Winters, Junior-Seniors, May Frolics and Finals. After these dances coeds attending them are allowed an additional hour.

3. For spending the night or week-end away from the dormitory.

4. For any late permission granted.

5. For the infirmary.

Coeds failing to sign out on any of these occasions will be fined twenty-five cents and penalized if necessary. Sign in upon returning to the dormitory.

C. OVERNIGHT AND WEEK-END ABSENCES

1. Coeds desiring to spend the night out in a town home, in another dormitory or in a sorority house must have their hostess invite them through their house mother, house president and house manager in sorority houses. The invitation must be issued one hour before dormitory closing time. This

permission will be granted on a week night only for studying. When a girl is a guest in town she is to keep the same hours as in the dormitory.

2. No permission to leave town will be granted until a letter of permission has been received by the Dean of Women from the girl's parents. Coeds leaving town for a week-end must fill out a "week-end" slip. They must return by dormitory closing time unless other arrangements have been made previously.

3. Girls are not expected to leave their dormitory and spend the night in a hotel either here, in Durham, or nearby towns purely for the purpose of staying out later. If necessary, late permission may be obtained from the house president.

D. FRATERNITY REGULATIONS

Girls may visit fraternity houses only with strict obedience to the Interfraternity agreement which is drawn up each fall between the individual fraternity houses and the University Fraternity Entertainment Committee. Until the agreement has been completed and announced, coeds may not enter fraternity houses. After it has been announced, coeds are held responsible for familiarizing themselves with all its rules and observing them. Violations of the Interfraternity agreement are considered Honor Council cases.

E. TOWN REGULATIONS

Girls are not permitted to visit men students in their rooms. This applies to men in dormitories and coop houses, men living in apartments, men rooming with townspeople, men living in West house, Acacia cottage, and

the morgue by the Chi Omega house, and the professional fraternity houses. This does not apply to organized parties held by such men students with the approval of the Dean of Women.

Girls are permitted to visit townspeople, students living with their own parents, and faculty members—in their own homes or dwellings.

Special exceptions to any of these rules (for a reasonable cause) may be discussed and secured in advance from the house president.
